Vajra Ma originated *The Tantric Dance of Feminine Power*, the core practice of her priestess lineage *Woman Mysteries of the Ancient Future Sisterhood* and has been teaching it since 1992. She is featured in *Daughters of the Goddess* (Alta Mira), an anthology of women's spiritual work in America and her work has been the subject of scholarly papers presented at national conferences on religion.

She is the author of *From a Hidden Stream: The Natural Spiritual Authority of Woman*.
